

5/6 Home Learning Term 3 Week 3

The task for this week involves researching and learning about our Inquiry topic for this Term.

Activity One:

Use the following image to answer the questions below.

Question 1: What is the deeper message of this image?

Question 2: What might 'Plan A' consist of?

Activity Two:

You are to research an environmental issue (E.g. Water Pollution, Endangered species) that is related to one of the following topics:

- Water
- Soil
- Biodiversity
- Habitats
- Transport
- Waste
- Ecosystems
- Climate change

If you have another idea that you would like to research, let your teacher know.

You are to create an **information pamphlet** that includes the following:

- What is the issue of your topic in relation to a sustainable future?
- Why is it an issue?
- What are the negative impacts on the environment?
- What can people do to help the environment in regards to the issue?
- Are there any organisations who are supporting this issue? If so, what are they doing?
- Include images/diagrams that will inform the reader

Remember:

- ✓ To provide detailed information
- ✓ Include subheadings
- ✓ Find interesting facts
- ✓ Be creative
- ✓ Make it colourful

Spelling:

atmosphere	sewage	anthropogenic	climate	contaminate
emissions	catastrophe	agriculture	biodegradable	Preservation
