

Dear Parents/Carers,

We are excited to inform you that from 21 August to 3 September 2017, your child will be participating in The Mangahigh Maths Super Hero Challenge on www.mangahigh.com.

Accessing your child’s account:

Your child should have their login details (the login Details are the ones supplied at the beginning of the Year) however If they have misplaced these ask them to see their classroom teacher. Once logged in students will be able to complete tasks in the “Assigned” and “Recommended” sections of their list. They can also “Browse” additional lessons for individual revision and extension.

The goal:

To earn as many points as possible over the 14 days.

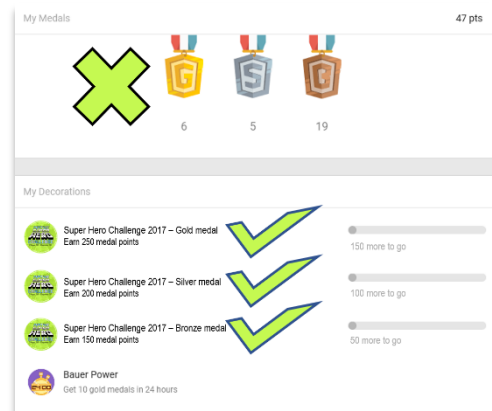

How to earn Points:

Points are earned by completing activities successfully and earning either a Bronze, Silver or Gold level in that activity.

- A Bronze level is worth 1 medal point
- A Silver level is worth 2 medal points
- A Gold level is worth 3 medal points

How your child can check his/her progress:

Your child will find their progress under ‘My Decorations’ on their profile page (see image)

Prizes:

At the end of The Challenge, students who have earned more than 150 points will receive a real medallion based on their highest achievement. These will be handed out at assembly soon after the challenge ends (after 3 September 2017).

- Earn 150-199 points to receive a Bronze Medallion
- Earn 200-249 points to receive a Silver Medallion
- Earn 250+ points to receive a Gold Medallion

We are looking forward to celebrating Mathematics in our school during The Maths Super Hero Challenge and hope your child has a lot of fun in doing so.

Best of luck!
